

**Don Robinson Productions
2009 INBF BEST OF THE WEST
Body Building Championships Ms. Figure & Physically Challenged Competition
Pro-Qualifier**

Dear Fitness Enthusiast:

I'm approaching you with the hope that your beliefs regarding drug-free sports are much the same as ours and that your determination to make a public statement on this subject has become a personal commitment for you. My name is Don Robinson and as you may already know, I am committed to providing steroid free bodybuilding competitions to our natural champions by providing them fair arenas in which to compete for national recognition in the sport of their choice.

The International Natural Bodybuilding and Fitness (INBF) Association was founded on this principle and is one of the oldest and largest totally drug free bodybuilding associations in North America. Our INBF chapter is the first and only totally drug free bodybuilding association in the state of Arizona. All INBF sanctioned competitors must be drug free. As more and more natural bodybuilding enter the arena of competition, it has become necessary for us to upgrade our methods of testing every competitor before every event. Due to the rising cost of urinalysis and polygraph testing for anabolic steroids and other growth oriented drugs the INBF Arizona chapter is requesting sponsorship participation from supporters.

On April 25, 2009 we are promoting the 2009 INBF Best of the West International Bodybuilding Pro Qualifier. We will be holding this event at the Phoenix Preparatory Academy located at 735 E. Fillmore Street, Phoenix, AZ 85006. Because of their beliefs in drug free sports, the managers of the theatre have offered the facility to us at a reduced rate. The winners of this event will be qualified to compete in the national events.

We need your help to defray the costs of promoting this event. I have attached a schedule of sponsorship levels and ask that you please review it and select a level you are comfortable with sponsoring. Public support for the INBF events is very strong; this is an excellent showcase for your products or services and an excellent way to demonstrate your anti-drug position within the community. Thank you very much,

Sincerely,
Don Robinson

Sponsorship Participation Levels**

- \$500 or more defrays the administrative cost such as auditorium rental, liability insurance and trophies for competition winners, as well as, costs for the drug testing. Sponsors at this level will receive a free ad in the contest program and 10 free tickets. Sponsors at this level also have the option of displaying their goods and services in a vendor's booth during the event.
- \$250 defrays the cost of the drug testing and the polygraph fees. Sponsors at this level may promote their goods and services in a free ad in the contest program or a vendor's booth and six free tickets.
- \$150 assists in defraying the cost of drug testing. Sponsors at this level may list their name on the official contest t-shirt or display their goods and services in a free ad in the contest program. Sponsors will receive 4 free tickets.
- \$50 to \$150 sponsors will receive 2 free tickets and a free ad in the contest program.
- Less than \$50 sponsors will receive an eighth-page ad in the contest program and 2 free tickets.
